IL POGGIONE

Rosso di Montalcino D.O.C.
2021

Younger, more accessible version of the Brunello, but already with an excellent structure and a great personality, Rosso di Montalcino is a very important wine for Tenuta Il Poggione.
Produced entirely from Sangiovese grapes, sourced in the estate's younger vineyards, Rosso di Montalcino is aged in large casks and barriques before a period of bottle aging.
The wood aging, although not obligatory for the production of Rosso di Montalcino, tones down the tannins typical of a young Sangiovese and gives this red wine a complexity of aroma and structure that make it a great "Young Brunello".
